## Delineation of 2nd generation Focal Development Areas (FDAs)

Event Date:

Thursday, August 28, 2014 (All day) to Wednesday, September 10, 2014 (All day)

Event Details :

The project team (PCT, County and subcounty teams, administrators and implementing agencies like WRMA) will undertake a project area-wide delineation of 2<sup>nd</sup> generation Focal Development Areas (FDAs). Delineation is a prerequisite exercise to the participatory rural appraisal (PRA). The expected output of this exercise are;

- i. Document the number of FDAs along each river basin
- ii. Document the preliminary boundaries and mapping of FDAs in each river basin
- iii. Document the estimated population size of each proposed FDA

Venue:

Project area (Embu, Tharaka Nithi, Meru, Nyeri, Murang'a and Kirinyaga counties)

Component:
