

UTaNRMP CIVIL WORKS MANUAL FOR COMMUNITY PROJECTS -Oct 2015

Description:

This manual provides modalities, processes and procedures that will be applied for funding civil works projects proposed by Community Based Organizations (CBOs) and Water Users Associations (WUAs). The project has four windows of funding namely:

- (i) Matching grants at Water Services Trust Fund (WSTF) which supports WRUAs to implement activities geared towards conservation of natural resources and are activities of public good,
- (ii) Matching grants at Project Coordinating Team (PCT) which supports Common Interest Groups(CIGs) proposals and the activities are income generating activities which are for private good in nature,
- (iii) the Civil Works window which supports activities of both public and private good in nature and
- (iv) cross-cutting window which provides for procurement of equipment and capacity building of staff and community.
