

## UTaNRMP 1st CALL FOR PROPOSAL (Civil Works For Community Projects) ADVERT-Oct 2015

### Description:

This advert is for UTaNRMP's first call for proposals for community projects' civil works. It appeared in the Daily Nation and The Standard Newspapers of Mon 12th Oct 2015 and Tue 13th Oct 2015.

Community groups requesting for assistance from Upper Tana Natural Resources under the water resources management sub-component should include:-

a) Community water development. These activities are:-

- i. Development/rehabilitation of rainwater harvesting and storage including water pans and dams;
- ii. Roof water harvesting demonstration for public institutions (e.g schools, hospitals, dispensaries, health centres, youth polytechnics);
- iii. Rehabilitation/development of boreholes, shallow wells and springs,
- iv. Rehabilitation of (common) intakes /devises and community domestic water supply systems

b) Water - Saving Irrigation technologies

These activities include:-

- i. Upgrading of water conveyance systems and improvement of Water application systems in order to improve efficiencies.

c) Remedial works at hot spots

The activities include rehabilitation of road embankments; borrow pits, quarries, and denuded hilltops, and eroded riverbanks, wetlands, springs.
