## SUCCESSFUL COMMON INTEREST GROUPS(CIGs) AND WUAS/CBOS- FEB 2016

Description:

UTaNRMP advertised in the media and local public institutions for Common Interest Groups (CIGs) to apply for matching grants from the Project to support the implementation of Income Generating Activities (IGAs). The project also advertised in the media and local public institutions for WUAs/CBOs to apply for grants from Project to support the implementation of community Civil works activities.

The Common Interest Groups (CIGs), WUAs and CBOs submitted proposals to the project and after a rigorous desk and field appraisal, some groups qualified for the award of the grants. The list indicates successful groups and the amounts of funding awarded to each groups.
