

## SUCCESSFUL COMMUNITY PROPOSALS: 4th CALL FOR PROPOSALS (JUNE 2018)

### Description:

In September 2017, UTaNRMP advertised in the media, local public institutions and through Focal Development Area Committees (FDACs) for Common Interest Groups (CIGs) to apply for matching grants from the Project. The grants are meant to support the implementation of community based Income Generating Activities (IGAs). After proposals were submitted and a rigorous desk and field appraisal was conducted by an Independent Appraisal Agency (IAA), 604 proposals were successful and will be funded to implement UTaNRMP supported projects totalling to KShs. 323,973,070. Below is the list of the successful proposals per county.

UTaNRMP takes this opportunity to thank all the community groups who expressed interest in the 4<sup>th</sup> call for proposals and **CONGRATULATES** those that have qualified for funding.
